PLACEMENT SEASON 2025-26

ROOTING FOR YOUR SUCCESS

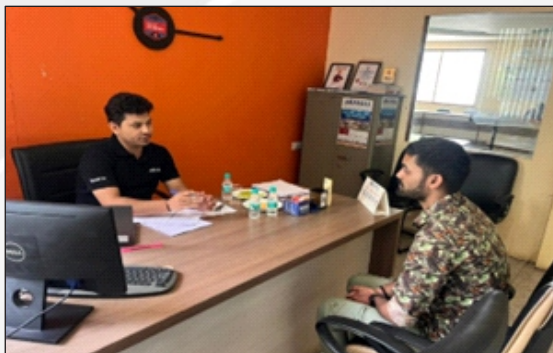

THE VISION: PLACEMENT IS AN OPPORTUNITY

At AITS, we believe that placement is not a final destination or a mere job offer; it is a transformative opportunity. Our mission is to provide the "fertile soil" where your skills can take root and grow into a flourishing career. This year, we have moved beyond traditional recruitment to focus on sustainable growth and long-term industry partnerships.

HIGHLIGHTS OF THE 2025-26 PLACEMENT DRIVES

GLOBAL LEADERS ON CAMPUS

We are proud to host industry giants like Micron Technology—a global leader in semiconductors currently expanding its footprint with a mega-facility in Sanand, Gujarat.

“TRANSFORMING LEARNING INTO INDUSTRY-READY SKILLS”

The Training & Placement Cell has successfully commenced a 15-Day Industrial Training Program on Python Programming & Data Fundamentals for Diploma and B.Tech 2nd Year (CSE) students, in collaboration with E- skills Web LLP.

ADVANCED WEB SECURITY EXPERT (AWSE)

Our Computer Engineering students successfully completed Day 2 of the Advanced Web Security Expert (AWSE) training, shifting their focus from basic setup to the crucial preparatory phase: Reconnaissance! Day 2 was all about thinking like an attacker by mastering the techniques required to gather maximum information about a target application before launching any attack.

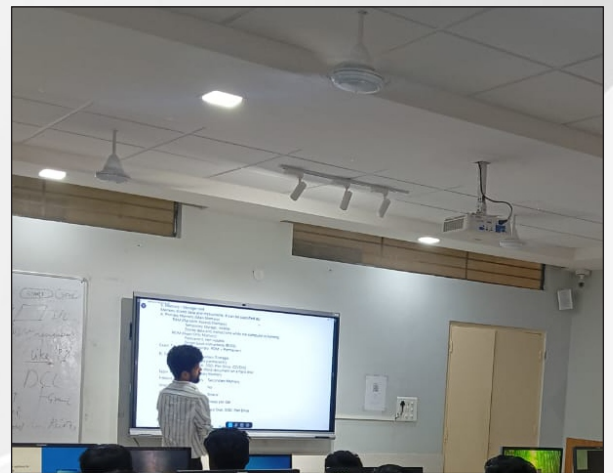

RENEWABLE ENERGY AND CLIMATE CHANGE

An enriching session was held on 14th October 2025 with Mr. Vishal Vijaykumar Pawar, Centre Head, Solapur Division – MITCON Consultancy & Engineering Services Ltd., who enlightened the audience on the importance of renewable energy in combating climate change.

SOFTWARE AND HARDWARE FUNDAMENTALS

AITs students dived deep into the core of technology during our intensive "Software and Hardware Fundamentals" training program. This hands-on session bridged the gap between theory and practice, equipping our future innovators with the essential building blocks of modern computing.

MESSAGE TO OUR RECRUITERS

"We provide the platform; our students bring the passion."

AITs invites industry leaders to explore our pool of talented, disciplined, and technically sound graduates. With a dedicated infrastructure, high-speed connectivity, and a streamlined interview process, we ensure a seamless recruitment experience.
